

Gujarat State Branch of All India Occupational Therapists' Association

Directory of Occupational Therapy Services in Gujarat (Published and updated: May, 2019)

Disclaimer: The directory is as comprehensive as possible but may not be complete. It is developed to help general & target population or practitioners to find out the OT services in the nearby vicinity or in a specific area. For missing information, please contact concerned therapist. We have taken adequate caution in preparing the directory but please confirm the information with concerned therapist.
